# Close That Deal!

## Presentation Skills ...

### Video Critique

A key and unique attribute of the training workshop is video critique. Delegate's final presentations are constructively critiqued using video feedback which allows the delegate to see themselves in action and learn how to improve their delivery.

### Workshop Content

1 or 2 Day Sessions are available for a maximum of 6 delegates meaning more time spent on individual needs.

We make the course material your inbox so you can use the time to develop presentations for your clients, new business pitches or other presentations challenges you are currently working on.

Delegates receive ...

- Individual Course Packs
- Tailored Schedule
- Trainers with 20 + Years Presenting Experience
